Petrolcomet Services  
Tripoli  
Libya

To Whom It May Concern:

Re: Simplex Products in Libya

This is to certify that Petrolcomet Services Co. is an authorised distributor of Simplex Fire Detection, Master Clock and Access Control Systems in Libya.

Petrolcomet Services Co. is authorized to import, supply, install, test, commission and service/maintain Simplex products in the above territory and has qualified personnel that have completed Simplex certified training.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Jason Crouch
